Re: Associate - Program Management

Dear Mr. Matt:

I am writing to express my interest in the Associate - Program Management position, as advertised. With a strong background in project coordination and software development, I am confident in my ability to contribute to your team.

Throughout my third year of Software Engineering, project milestone meetings and a strong academic background have equipped me with a solid understanding of the software development lifecycle, and I am eager to leverage this knowledge at Cvent. In addition to my technical expertise, I bring a proactive and collaborative approach to problem-solving. My commitment to continuous improvement aligns with Cvent's values, and I am excited about the opportunity to contribute to the success of your dynamic and innovative team.

Thank you for your consideration. I look forward to discussing my qualifications with you during an interview.

Yours truly,

Saran
