Mr. Ryan Whithey
Research and Development
Chick Pick
Fredericton, NB

Re: Student Developer

Dear Mr. Ryan:

  I am writing to express my enthusiastic interest in the Student Developer position at Chick Pick, as advertised. As a passionate software engineering student with a strong foundation in programming and a keen interest in machine learning, I am excited about the prospect of contributing to your innovative ag-tech startup.

  I am drawn to the fast-paced and agile environment of startups, and I am eager to apply my skills to assist in the development and improvement of your software applications. Throughout my coursework, I have acquired strong programming skills and have hands-on experience with Git version control software. I possess a basic understanding of machine learning and am enthusiastic about expanding my knowledge in this field. Additionally, I am proficient in Python, C and C++, making me well-equipped to contribute to the development of analytics dashboards, machine-learning models, and computer vision scripts.

  Thank you for your consideration. I look forward to discussing my qualifications with you during an interview.

Yours truly,

Saran
